

LINLITHGOW CIVIC TRUST

Pre-publication Offer to Purchase **PUTTING LINLITHGOW ON THE MAP**

Map-making is one of the ways we make sense of the world. Maps are like windows onto different times and cultures. They throw a light onto the social and economic history of a place as well as changes in the utilisation of the land. Maps can even be for fantasy!

PUTTING LINLITHGOW ON THE MAP, by Chris Long, looks at centuries of map-making in Scotland as a whole and then focuses on the history and development of Linlithgow through maps and other images.

The book is painstakingly researched, beautifully illustrated and fully annotated. The retail price will be £17.50, but the pre-launch price is only £15.00. In return for an advance payment, all subscribers will be listed prominently within the new book and will receive a copy or copies as outlined below. The book launch is scheduled for later this year.

There are three categories of ordering:

1. **As a subscriber**, at a cost of £15.00 per copy; or
2. **As a private sponsor**, at a cost of £75.00 for which five copies will be supplied; or
3. **As a corporate sponsor**, at a cost of £300.00 for which twenty copies will be supplied.
